

Download Evan Moor Daily Word Problems

It's never too early to give students an introduction to solving mathematical based word problems. After all, these challenging word problems will appear on standardized tests throughout the child's educational years. Our son used to freeze in panic when confronted with a WP. We used Daily Word Problems all summer to keep our student thinking and learning for a few minutes each day. On this site you can. Find out how the activities in your Evan-Moor materials correlate to your state standards. View correlations on your computer screen, print them, and search for specific activities or standards. They have probably just not had a lot of practice with them. I think that if you offer them practice with word problems each day, then they will feel more confident about solving them.
