

# Download Multiplication Scavenger Hunt

What is more fun than a Scavenger Hunt? Running around with your siblings or friends trying to complete your list before another group completes theirs? Multiplication: Scavenger Hunt This product includes 10 math scavenger hunt problems/posters to be posted around the room. A record sheet for students to use as they answer the questions is also included. Multiplication: Get your students out of their seats with this engaging multiplication scavenger hunt! This is great for basic multiplication practice or review! Students will solve multiplication equations, draw arrays, write the multiplication equation that a picture represents, and solve multiplication word problems. Preparation before class for the teacher is to make sure that there are several items in various locations in the classroom that are in multiples. I placed groups of books, pencils, dr
