

Download Pediatric Urology For The General Urologist Topics In Clinical Urology

A vast number of children in the United States are evaluated and treated for urologic conditions by urologists practicing general urology due to the relatively few fellowship-trained pediatric urologists. Urology (from Greek *ouron* "urine" and *-logia* "study of"), also known as genitourinary surgery, is the branch of medicine that focuses on surgical and medical diseases of the male and female urinary-tract system and the male reproductive organs. Welcome to UrologyHealth.org, your trusted resource for reliable urologic patient education. The Urology Care Foundation is educating patients and funding answers. Woodfield Urology in Schaumburg, Illinois is the practice of Dr. Randall F Randazzo.
