Writing for Law Practice: Advanced Legal Writing, 3d (Coursebook) By Maddie on February 15, 2019 Writing for Law Practice organizes documents into three sections that correspond to the three major modes of written communication in the law? “Litigating,” “Informing and Persuading,” and “Rule-making”? each with its own signature writing skills. Writing for Law Practice is intended for both “Advanced Writing” and “Introduction to Drafting” courses. Because “drafting” is a term without a single, universally agreed-upon meaning, “drafting” courses do not all cover the same documents. However, this text treats a broad range of documents and a broad range of skills, and so it is suitable for all of these upper-level writing courses.
